

# THE UNIVERSITY OF THE SOUTH PACIFIC SCHOOL OF DISTANCE EDUCATION

The University of the South Pacific is pleased to announce the opening of the School of Distance Education. This school will provide a wide range of courses and programmes for students who are unable to attend the main campus. The school will be based in Suva, Fiji, and will offer courses in a variety of fields including business, education, health, and social sciences.

The School of Distance Education will offer a variety of courses and programmes, including:

1. Bachelor of Business Administration (BBA) - This programme will provide students with the knowledge and skills necessary to succeed in a business environment. The programme will be offered in English and will include courses in accounting, economics, finance, and marketing.

2. Bachelor of Education (BEd) - This programme will provide students with the knowledge and skills necessary to become teachers. The programme will be offered in English and will include courses in education, psychology, and social studies.

3. Bachelor of Science (BSc) - This programme will provide students with the knowledge and skills necessary to succeed in a scientific environment. The programme will be offered in English and will include courses in physics, chemistry, and biology.

4. Bachelor of Social Sciences (BSS) - This programme will provide students with the knowledge and skills necessary to succeed in a social sciences environment. The programme will be offered in English and will include courses in sociology, anthropology, and political science.

5. Bachelor of Health Sciences (BHS) - This programme will provide students with the knowledge and skills necessary to succeed in a health sciences environment. The programme will be offered in English and will include courses in health, safety, and environmental science.

6. Bachelor of Arts (BA) - This programme will provide students with the knowledge and skills necessary to succeed in an arts environment. The programme will be offered in English and will include courses in literature, history, and philosophy.
