

A diagram consisting of 15 empty rectangular boxes in a single row. To the right of this row is a space containing 5 empty rectangular boxes. To the right of this space is a single empty rectangular box. To the right of this single box is another space containing 5 empty rectangular boxes. This visual representation is used to illustrate the concept of a sequence of 15, followed by a group of 5, a single element, and another group of 5.
