

Six empty rectangular boxes arranged horizontally, intended for handwritten responses.

A horizontal row of ten empty rectangular boxes, each with a black border, intended for handwritten responses.

A row of five empty rectangular boxes with black borders, intended for handwritten responses.

Diagram illustrating the division 21 : 6 = 3.

The diagram shows two groups of seven rectangles each, separated by a colon (:) in the center. The first group has three gray rectangles in the middle, and the second group has four gray rectangles in the middle. This visual representation helps in understanding how 21 is divided into 6 equal parts of 3.
